85CM RIDE ON AUTO SCRUBBER

190444 120 Litre Solution Tank

- The versatile ride-on scrubber dryer can clean 3600 square meters without interruption and without refilling the tank. Small turning circle of only 1.95 m.
- Whether the Operator is just 155 cm or 195 cm tall, the Long seat allows everyone to find the right Position. Ergonomic and comfortable.
- Fast, easy and hygienic changing: the brushes and pad holders do not only spin off with the press of a button, they also spin-on automatically.
- Fresh water can be filled up in an instant - via the integrated, industry-Standard system connector or via the large filling opening.
- Robust mechanics instead of electronics: simple operating Switches to turn the machine on and off and for forward and backward movements. Mechanical lowering of brushes and squeegee.
- LED front lights as Standard - for safer Operation and a good view of the working area.
- The arch-shaped squeegee tool adapts actively to the movements of the machine and will perfectly pick up without leaving any waste water even on tight turns.

ACCESSORIES / PARTS

CODE	ACCESSORY / PART
202315	Gel Battery 6V 240AH/250AH
203043	Standard Brush
203044	Soft brush
203045	Hard brush
203046	Pad holder
251670	Standard Pad fixing device
202443	Heavy Duty Pad fixing device
201683	Set of squeegee blades
202758	Squeegee blades set oil resistant
202991	Suction Prefilter
