35CM BATTERY SCRUBBER

190452 With integrated battery charger

- The low cost scrubber dryer ideal for use in small areas and heavily congested spaces.
- Thorough cleaning up to the edge: consistently high brush pressure in combination with a swivel-mounted squeegee, which is located directly behind the brush.
- Large wheels for excellent manoeuvrability and easy transport up and down stairs. Guaranteed perfect working height: the ergonomically shaped handlebar can be adjusted to four different heights.
- The ultra compact design with a bevelled front provides for good cleaning under furnishings or around obstacles.
- Hygienic according to HACCP standards: the removable recovery tank can be cleaned and disinfected easily; the cover gasket replaced in no time. Excess fresh water can be drained completely.
- Operating handle can be folded flat across the scrubber dryer for easy transport in small vehicles and storage in tight spaces.
- Easy cleanout of recovery tank.
